

20th Capra Meeting on Radiation Reaction in General Relativity

Contribution ID : 27

Type : **not specified**

Capra roundup: perspective and prospects.

Thursday, 22 June 2017 16:30 (30)

I will try to summarize my perspective on where we stand with respect to the Capra mission, mention some highlights from the preceding talks, and give a list of topics I consider worthy for group discussion during the remaining days of the meeting.
